

# Weapon Storage Solutions

*...when it really matters!*

# WEAPON STORAGE CABINETS

Designed for storage of any size rifle, shotgun, handgun or personal defense weapon stored vertically or horizontally. Weapons are secured inside the cabinets with an all steel bi-parting tambour door. Configure your small arms inventory any way you desire for that custom solution.

- 4 heights available, 60", 64", 72" & 83"
- Optional internal all steel gates
- Federally approved security key locks
- Horizontal or vertical mounts
- Stores rifles with attached scopes & accessories
- Optional storage accessories
- Cabinets are re-configurable at a moments notice

# STACKABLE WEAPON RACKS

Our modular Stackable Weapon Racks are extremely flexible for small arms storage. Securely store your weapons vertically or horizontally utilizing specific mounting attachments. Racks can be stacked for efficiency and can be configured and re-configured at any time.

- 48" high x 42" wide x 15" deep
- Optional all steel security gates
- Federally approved security key locks
- Stores rifles with scopes & accessories
- Racks are stackable
- Complete with 'eyelets' to chain firearms
- Optional storage accessories

## Racks can be...

- Stacked
- Secured side to side
- Secured back to back
- Secured to the wall
- Secured to the floor

# EXPANDABLE WEAPON RACKS

Specifically designed to be modular and accommodate most small arms requirements. Used in secure areas such as armories and vaults on a small or large scale. This unique system is 84" high and can be configured in a single or double sided manner with weapons being stored vertically or horizontally.

- Two modular widths of 34" & 40"
- Single & double sided solutions
- Stores rifles with attached scopes & accessories
- Optional storage accessories
- Can be secured to the floor and/or wall
- Easily expanded or re-configured
